- **You can only register once for the pre-registration.** Under no circumstances is it permitted to register under multiple names or on behalf of another person. In the event of multiple registrations by the same individual, only the first registration will be considered. The organizer reserves the right to remove any individual from the pre-registration in case of a breach of these terms and conditions;
- We process the personal data you provide during registration in order to conduct a lottery for the allocation of entry rights to the Event. You are obliged to accept our [privacy statement](#) at the time of registration;
- A pre-registration is only valid if the registration form is completed legibly and fully completed and the administrative fee has been paid. Incomplete or incorrect forms will not be registered. The same applies if the administrative fee has not been paid. The organizer is never liable for any consequences resulting from an incorrect or incomplete registration;
- A non-refundable administrative fee of €5 is due at pre-registration. If you are selected for a definitive registration, following the pre-registration, and you complete a correct and complete registration form within the given timeframe for the Event, the €5 administrative fee will be deducted from the total registration fee for the Event. **If you are not selected for the final registration, the €5 fee will not be refunded;** However, we will then guarantee you a spot in another marathon in the Netherlands or Belgium that Golazo organizes during 2026, with the already paid administration fee of €5 deducted from that registration.
- The number of participants for the Event is limited. **A correct pre-registration does not guarantee participation in the Event.** After the pre-registration period has ended, a lottery will be conducted through our internal registration system, and entry rights for the Event will be allocated randomly;
- If you are correctly pre-registered and selected for registration for the Event, you will receive a unique link at the email address you provided. This link will enable you to register for the Event within the specified time period. **If you do not register within the specified period stated in the email, the entry right will automatically expire and may be randomly allocated to another individual on the pre-registration list;**
- The allocated entry right to the Event is personal and non-transferable. It cannot be exchanged for cash or transferred to any third party.
