TERMS AND CONDITIONS

NN MARATHON ROTTERDAM 2027 – PRE-REGISTRATION

Article 1 General

1.1 These terms and conditions apply to the pre-registration for the marathon distance (42.195 km) of the NN Marathon Rotterdam 2027 (the "Event"), organised by Rotterdam Marathon B.V. (the "Organiser"). Pre-registration is only possible via the form available on www.nnmarathonrotterdam.nl (the "Website").

1.2 Pre-registration is free of charge and non-binding. The entry fee only becomes payable upon registration for the Event and will be charged at the rate published on the Website at that time.

1.3 By pre-registering, the person submitting the pre-registration (the "Prospective Participant") accepts these terms and conditions.

Article 2 Participation in Pre-Registration

2.1 Pre-registration is only possible during the period announced on the Website. The Organiser reserves the right to amend or extend this period.

2.2 Each Prospective Participant may pre-register only once. Multiple pre-registrations using different names or email addresses, on behalf of other persons, or through automated means (such as bots or scripts) are prohibited. The Organiser is entitled to cancel a Prospective Participant's pre-registration and/or registration in the event of a breach of these terms and conditions.

2.3 The Prospective Participant must complete all information accurately, legibly and in full, using an email address to which they have access. Incorrect or incomplete pre-registration may result in exclusion from the pre-registration and/or registration process.

2.4 The Organiser processes personal data in accordance with its privacy policy: https://www.golazo.com/privacy-policies/golazo-the-netherlands/. By pre-registering, the Prospective Participant confirms that they have taken note of the privacy policy.

Article 3 Personal Registration Link

3.1 After the pre-registration period has ended, the Organiser will send a registration link by email to each Prospective Participant.

3.2 The registration link is personal, grants access to one registration only, is non-transferable, cannot be exchanged for cash, and is valid only for the period stated in the email. If the Prospective Participant does not complete their registration within the period specified in the email, the registration link will automatically expire.

3.3 The Organiser shall not be liable for emails not being received or being received late due to spam filters, incorrect email addresses, or any other cause.

Article 4 Access to Registration

4.1 Pre-registration and receipt of a registration link provide access to the registration process but do not guarantee a race entry or the right to participate in the Event.

4.2 Race entries will be allocated on a ‘’first come, first served’’ basis only after registration via the registration link has been fully completed and the entry fee has been paid on time, in the order recorded in the Organiser's registration system. Once all available race entries have been allocated, registration will close.

4.3 The Organiser may, based on objective criteria, grant certain groups earlier access to registration.

4.4 Registration is subject to the NN Marathon Rotterdam 2027 participation terms and conditions, which the Prospective Participant must accept when registering. In the event of any conflict between these terms and conditions and the participation terms and conditions, these terms and conditions shall prevail with regard to pre-registration and access to registration. For the registration itself and participation in the Event, the participation terms and conditions shall prevail.

4.5 The Organiser may declare a pre-registration, registration link or registration invalid in the event of fraud, misuse, use of automated means, resale or transfer of the registration link, or any breach of these terms and conditions, without any right to compensation.

Article 5 Liability

5.1 The Organiser shall not be liable if a Prospective Participant is unable to obtain a race entry.

Article 6 Amendments

6.1 The Organiser may amend these terms and conditions for compelling reasons, including changes in legislation, instructions from governmental authorities or security services, or organisational and technical circumstances. The most recent version will be available on the Website. Significant amendments will be communicated to registered Prospective Participants by email.

Article 7 Governing Law and Disputes

7.1 These terms and conditions are governed by Dutch law. Any disputes shall be submitted to the competent court in the Netherlands, unless mandatory law provides otherwise.
